2 GRAMMAR IN USE **Complete the text with the words and phrases from the box.**

help us ~~understand~~ his clients asks have would like lets them makes to talk

DANIEL FULTON is a special kind of doctor – his clients are people who have mental problems. He uses the ideas of the famous doctor and writer Sigmund Freud. Freud's ideas helped us (0) *understand* how the human mind works.

Daniel (1) ..... people with mental problems to lie on a sofa and relax. Then he tells them (2) ..... about their problems. He (3) ..... his clients talk about their dreams as well as their real problems. He believes our dreams (4) ..... to understand our feelings. Daniel also thinks bad experiences when we are young sometimes make us (5) ..... mental problems

when we are adults, so he often asks (6) ..... to talk about their childhood.

Daniel doesn't say very much to his clients. He (7) ..... talk about anything – all their feelings and emotions, what they (8) ..... to do and what they feel about other people. He thinks that talking about problems is the best way to solve them.

3 **Complete the second sentence so it means the same as the first. Use one, two or three words.** 4.14 **Listen and check.**

0 The rain caused the river to flood.
The rain *made the river* flood.
