This ~~are~~ is a photograph from last summer. Look, that's my little brother and those is my two sisters. It was the day we went to the funfair. We had a lot of fun this day, we really enjoyed myself. We went into the hall of mirrors and looked at ourselves – we laughed so much! Then we went on the rollercoaster. It was really frightening. My brother hates heights but he made he go on it – he was very brave! But the best part was seeing the animals in the circus tent – these animals were fantastic to watch!
