

Practice

1 GRAMMAR IN USE Choose the correct words in *italics* in the text. 2.59 Listen and check.

In my free time I like playing sports and using the Internet. I (0) *play often* / (*often play*) tennis at the weekend and I (1) *sometimes play* / *play sometimes* football on Tuesday evenings. My team (2) *wins never* / *never wins* and I don't (3) *play well* / *well play*, but I enjoy it very much. I think I use the Internet every day – my computer (4) *is always* / *always is* on! I like websites like YouTube and Facebook. I can (5) *type quickly* / *quickly type* so it is easy for me to send lots of emails to my friends. I also like music. My Internet connection is really fast so I can download (6) *easily songs* / *songs easily*. Then I can listen to them on my iPod.

2 Look at the information about watching TV. Complete the sentences below.

	HOW OFTEN DO YOU WATCH TV?			WHEN?		
	sometimes	every day	once a week	never	in the evenings	at the weekends
Cilla			✓			
David				✓		
Marion		✓				
Eduardo			✓			
Monty	✓					
Caroline						✓
Max					✓	

- 0 Cilla and Eduardo *watch TV once a week*. 3 Monty
- 1 David..... 4 Caroline
- 2 Marion
- 5 Max

3 Put the adverbs in brackets () in the correct position in each sentence.

 2.60 Listen and check.

- 0 I ^{often} watch TV in the evenings. (often) 6 I have been to Australia. (never)
- 1 Does your best friend speak Spanish? (perfectly) 7 She was frightened so she opened the door. (slowly)
