Subject Greetings from the North

Hi Alison,

I'm having a (0) *time fantastic / fantastic time* on this climbing trip. Yesterday we climbed Heston Tor. It was really (1) *exciting / excited*! It's (2) *highest / the highest* mountain around here. Everybody is very (3) *tiring / tired* today so we're all resting. I've attached a photo I took yesterday – you can see my brother Jack on the right – he's wearing a (4) *nylon blue / blue nylon* jacket. And that's Anna in the middle – she's my (5) *nice Scottish / Scottish nice* friend. She's (6) *older / more old* than (7) *I / me* and she's the (8) *best / most good* climber in the group. Everybody in the group (9) *seems friendly / friendly seems* and they are all very (10) *interesting / interested*. Tomorrow we are going to climb David's Rock. It's (11) *dangerouser / more dangerous* than the other mountains so we are all a little nervous. Our guide says the climb is (12) *long difficult / long and difficult*! But he says it's the (13) *most exciting / excitingest* mountain in the area. It's quite cold here so I'm glad I brought my (14) *warm nice / nice warm* jumper and my (15) *thick cotton / cotton thick* socks!

Give my love to everyone at home.
